

## **FlyOver® Canada Welcomed Its One-Millionth Rider**

### ***Vancouver's Hottest Attraction Celebrated its One-Millionth Rider over the Labour Day Weekend since its grand opening in June 2013***

**Vancouver, BC** – FlyOver® Canada, Vancouver's hottest attraction, welcomed its one-millionth rider last Saturday, September 5, 2015 since opening its doors on June 29, 2013. The unsuspecting lucky rider was Nimrat Ghuman of Saskatoon. Ms. Ghuman was awarded a grand prize including a two-day trip for two onboard the luxurious Rocky Mountaineer train in the SilverLeaf cabin, plus a host of FlyOver® Canada swag. The total prize package was valued at more than \$3,400.

"We continue to be overwhelmed with the positive response of our guests, both tourists and locals, and are pleased to be able to say thank you and recognize this milestone with our fans and supporters," says Andrew Strang, CEO of Soaring Attractions LP and co-founder of FlyOver® Canada.

When Ms. Ghuman presented her one-millionth rider admission ticket to the Flight Guide on Saturday, the event was marked with great fanfare and included confetti cannons, music, and vintage pilots on site for the celebration. All guests on the ride at the time also received a complimentary ticket to return to FlyOver® Canada, an Official Commemorative FlyOver Canada Souvenir Guide, and aviation themed chocolates to mark the momentous occasion.

#### **About FlyOver® Canada ([flyovercanada.com](http://flyovercanada.com))**

The FlyOver® Canada attraction is a flight simulation ride that takes guests on a breathtaking aerial tour over some of Canada's spectacular landscapes using the latest in ride flight technology. Guests sit suspended 10 to 25 feet above the ground in specialized ride vehicles, with their legs dangling, as they move in concert with the film. With the addition of special effects (scent, mist, wind), riders actually feel like they are flying!

Building on the runaway success of FlyOver Canada, co-founders Andrew Strang and Stephen Geddes, alongside their partner the Aquilini Investment Group, have recently announced FlyOver's expansion into the US market. FlyOver® America will open at the Mall of America® in Bloomington, Minnesota in Spring 2016.
